This is to certify that H. Ananthakao who has passed the S. S. L. C. Examination and is seeking for an appointment in the Govt Service, bears a good character.

He needs every encouragement as his father, A Govindakao who was one of the best classers of the Survey department, died recently leaving a large family of 7 children who are entirely dependent upon this young man for their support.

No provision can be made for him in the Survey department on account of the recent heavy retrenchment.

The undersigned will be very glad if the young man is provided early with a suitable appointment in any of the Govt offices.

So I request you to kindly recomend my application to k ep in the board and beg you to kindly send me a judgement copy and request you to kindly recomend my case in registering my name in the middle school list. Copies of certificates and testimonials will be sent if required.

The Addressograph

Some offices may have a machine called the Addressograph. Each customer's name and address is stamped upon seperate metal plates connected together in to endless chains which are fitted in to the machine. They revolve round a drum worked by a treadle. The clerk places the envelope or wrapper upon the printing-surface of the machine and when the embosed plate appears at the opening as the treadle moves the clerk need only to work a hand punch and the printing will be done.

Enclosures, etc.

Before the clerk puts the letter in the envelopes he must be careful not to omit any enclosures to which the letters refer. Usually the typist states at the conclusion of the letter the number of enclosures, but this fact may accidentally be omitted. It is then that the clerk will show his intelligence by reading through the letter.

Sir,

I have the honour to request you kindly to furnish with applications from Non-Brahmin candidates for appointments in (1) Kannada Middle schools for Boys (2) Kannada Middle schools for Girls and (3)Urdu Middle schools for Boys, as the present lists have been nearly exhausted.

The D. E. O. Shimoga - Letter no A1-10-82-78/39-40 dt 27-11-1938 Forwards an application of one K Srinivasa Rao, praying for a higher rank in the circumstances explained in the A List of Kannada Middle Schools for Boys class II series in the hands of the D. E. O. Shimoga.

The D. E. O. Shimoga Dist recommends that in the circumstances explained, the prayer of K. Srinivasa Rao for a higher rank in the approved C.R.B "A" list of Kannada Middle schools for boys, issued for the unit, may be considered sympathetically.

In this Connection, it is submitted that the original list of Teachers in Kannada Middle Schools for Shimoga was issued in March 35 and when the "B" List under the series was exhausted a Supplemental list was issued with C.R.B. notification no H 220/C.R.B dt 6-1-1939. At the time of issue of this Supplemental list, there were still 11 Candidates in the "A" list awaiting their turn for appointments under the rules.

NOTE—Contn. Sheet

Therefore these 11 Candidates were again included in the "A" List ~~in the beginning~~ as Sl nos 1 to 11 and the fresh Candidates were also included in the A List but their rank was fixed just below those who were already waiting for appointments since 1935.

The petitioner Mr K Srinivasa Rao was a fresh Candidate at the time of issue of the Supplt list in January 1939 and his rank was fixed as 21 in the A List. Now the D.E.O. Shimoga recommends that he may be given a higher rank but does not suggest the Sl no which can be given. However, from the re-examination of the "E" Statement file, it is seen that the last Candidate appointed from the A List is Sl no A9. and thus there are still 2 Candidates of the old list awaiting appointment and 8 more (at Sl no 17 also is omitted) ~~of the fresh list~~ fresh Candidates besides above this Candidate at present.

× under issue & not readily available

It is submitted that this Candidate cannot claim preference over those two Candidates who are awaiting for their turn since 1935 and ~~at the worst~~ his rank, if it may, can be fixed as 19-(a) but even

Sir,

In forwarding herewith for favour of your consideration an application from one K. Sir,

With reference to your letter No.3336 C.R.B. dated 15-12-39 observing that the removal of the name of one R.Ramiah from the approved list of Kannada Boys' Middle School for not having joined duty in a vacancy in Girls Middle School was irregular as he was not a regular candidate assigned for Girls' Middle School and that even if he had joined duty in the Girls' Middle School, Sagar, he could not have been regarded as a probationer for appointment in Girls' Middle School and requesting me to appoint him immediately in the next available vacancy in the Boys' Middle School etc, I have the honour to state as follows:-

Ever since the revised C.R.B. rules came into effect, there were no regular candidates in the special list assigned to Kannada Girls' Middle Schools. Only four lady candidates of special - community who were assigned to this unit ~~were appointed to this unit~~ were appointed in their turn, but none of them turned up. Hence the candidates from the approved special list assigned to Kannada Boys' Middle Schools were being appointed from the commencement both in the Boys and Girls' Middle Schools in the order of the list, the candidates once appointed being treated as probationers for their continuance in subsequent vacancies either in the Boys or in the Girls' schools. This procedure is being continued even now for want of lady candidates of special community.

This probationership of the candidates while giving them all the

the benefits of a probationer in the Boys' schools where they are the regular candidates for appointment, does not entitle them to any of these benefits in the Gilrs' Schools, except that their continuance will disappear with the classification of the vacancies into general and special. As soon as the lady candidates in the approved special list become available, the services of all the male recruits holding appointments in Girls' schools will be terminated. This has been the working procedure ever since the revised C R B. rules came into effect.

Consistent with this procedure, R.Ramaiah,C.R.B.No.22 B was appointed in a Girls' School vacancy which was available at the time of his appointment. Since he failed to join duty, he lost his chance. If a separate set of male candidates had been assigned for the unit of Kannada Girls' Middle Schools pending the availability of lady candidates, or if duly qualified Non-C.R.B. candidates were locally available, Ramiah under reference could not have been appointed in a Girls' school vacancy. In the absence of such candidates, the appointment of one from the approved special list of Boys' schools was inevitable in order to get through the work of Girls' Schools. When once the candidates are appointed, it is but reasonable that they should be treated as probationers even though their appointments may be in different units.

In the light of these facts, I request to be kindly informed if the appointment of Ramiah under reference in a Girls' School was irregular and if he should be appointed only in a Boys' School to become entitled to the benefit of probation.

If this observation is final, I may add that some of the regular candidates of Boys' Schools with higher ranks in the approved special lists who were first appointed in Girls' School vacancies and are still continuing to work there cannot be treated as probationers,

while

while many of their juniors who were appointed in Boys' schools get the benefits of probation. Instructions may kindly be issued as to how this difficulty can be overcome.

I have the honour to be,
Sir,
Your most obedient servant,

Dist. Educational Officer.

Further, the 'B' list issued to my unit in the ministerial cadre has also been exhausted and about 10 names may be issued to this cadre also urgently.

with reference to Secy's observations in the file bearing diary No 10894/J222 CRB

I beg to submit my explanation as follows :-

1. Re : applications not seen by the Secy.

The applications already put up ~~here~~ are those that have ~~been~~ been taken out from the bundle of applications not yet seen by the Supdt. As there were not sufficient number of ~~applicants~~ candidates in the list of ~~applicants~~ ordered to be considered for supplemental list I was required by the Supdt to pick out from the sized bundle ~~candidates~~ applicants of the Shimoga Dt or as are prepared to work in the Dt either as teachers or clerks. And put them for orders. I have done ~~so~~ accordingly, and in doing so I have not paid any attention to the date of receipt of the applications. Even the one that ~~has been~~ was received on 8-9-36 is ordered like

included.

I am unable to explain why 3 of the applications are not seen by the Secy

2. Re: applications not found in the file. These are applications on which orders have been already passed. I regret not having placed them in the file. They are now put up now.

3. As regards showing the name of Muthu Selvi as Muni Selvi I admit the mistake and request it may be excused of it. I have since written the name correctly.

11.9.86

It is clear misdirection and there should be a finding of the Tribunal on the point whether the C/O would make a mistake in spelling a word of 5 letters and in the pronunciation of words. I did not check the file while the application. I will direct Respondent on the C/O to explain. The statement ~~should be~~ referred to in para 2 above is not-

The issuing clerk tells it is the file maintained by the C/O in the beginning and it included the names of candidates of Ulcer Dist. also

In view of the Secy's orders at para 4 of the note dated 4.7.36 on the file I thought I should further submit the Secy's and I traced the Encl.

I think the Secy's highest relations that all the circle should be sent to Trichy hereafter.

SIR,

I have the honour to state that a C.R.B. hand by name Chandrasekaradas Bava, C.R.B. No. B. 30 was appointed as teacher in the Middle School, Kogalur, Channagiri Taluk and subsequently transferred to Middle School, Nallur, for want of satisfactory work. He is flowery in character and does not possess the proper stamina to work in Middle Schools. Even in Kannada language and subjects taught in Kannada he is very defficent as a teacher. The Head Master of Nallur Middle School, has reported that he has not got the capacity to handle I year classes of the Middle School. In these circumstances, I request you to kindly remove his name from the Middle School list, as his name is also registered for appointments in the Primary Schools. Early orders are solicited as the work of schools where he was tested has proved to be highly unsatisfactory.

I have the honour to be,
Sir,
Your Most Obedient Servant.

Respected Sir,

I, the undersigned beg to bring the following few lines to your kind consideration and favourable orders.

As per D.E.O's Nos. 939/35-36 and 939/36-37, I have worked in Main Middle School, Shimoga for a year and above. Afterwards I was posted to the Belagutti Middle School in permanent vacancy on Rs.20/- from 1-4-37 to 22-6-37 and on the same pay I worked in Issur, Kogalur, Nallur, Middle Schools where the results of the Public Examination were quite satisfactory in my Kannada Subjects. With all these the Head Master is cruel in passing his unsympathetic, unjust, unreasonable and sweeping remarks. It is a pity that my pay has been reduced from 20/- to Rs.15/- which is not at all reasonable, while I am deserving better encouragement. I received a severe punishment for my good work. By this it is quite plain that to work hard is fruitless and dangerous. Both my pay and status have been lowered to my misfortune making me ashamed before my friends junior to me and getting in a higher pay I am sure that I am not eligible for this kind of treatment. I hope you will be pleased to enquire into the matter and come to a reasonable and just conclusion. Please do not make me think that the Authorities are different and give a deaf ear to the request of unfortunate and suffering parties. I request you kindly extend your utmost generosity towards me so that I may get my former pay and allow me to

the same capacity as before for which act of kindness I shall ever be thankful to you. Copies of the remarks of the then D.E.O. and the then Head Master is herewith enclosed.

Sir,

I have the honour to report that one B.Hemagiriappa Nos.8 in the B list of recruits in class II of appointments was offered on 10th June 1935 a post on Rs 20 in the Middle school, Santebennur and he did not join duty. Nor were his whereabouts known till now. His name was accordingly removed from the list.— Now he submits an explanation (copy enclosed) to reconsider his case. In view of the paucity ~~of~~ N.B. candidates, I have appointed him as a teacher on Rs 20 in the Middle school, Thirthahalli pending inclusion of his name in the supplementary list to be issued by you. His name may be included as 43. Similarly one S.~~Govindappa~~ Giriappa Lingayat, a locally available S.S.L.C. is appointed to the Middle school Kotehal and his name included as 44.

I have the honour to be,
Sir,
Your most obedient servant,

District Educational Officer.

On a similar report from the D.E.O. Shimoga in re M.B. Mallappa (Vasa) has assigned

Explanation of B.Hemagiriappa.

As per approved list in the Education Department in Middle school section, you honour had sent me (the undersigned) an order No.456 of 34-35 last year in June 1935. Unfortunately, at the time when the order was sent to Shiralkoppa (to my given address) I and my family people had been to Ranibennur for my borhter's marriage. The postman has delivered the order to my grantmother who put the order somewhere in the housh. Hitherto, I thought my change was not yet come. 2 or 3 days back when I was searching for something, I found the order in a box. Now, I beg of you to kindly give me another chance as early as possible. Hoping that you will kindly excuse my long delay in writing the application and expecting your kind order.

Sir,

One N. T. Eswarappa son of Veerappa, Neraligi, in Shikaripur Taluk when he was undergoing U.G.T. in the Training College Mysore during 1934-35 at his own cost, had applied for his name being included in the list for appointment as a teacher in a Middle School in Shimoga District. Anyhow his name was included as No.39 in the B or special list for the Middle School teachers in Mysore District. Vide Notification No.7009-C.R.B. dated 5th March 1935 advertised in the Mysore Gazette 28-3-1935. Though this applicant was prepared to join this duty he is not so far appointed, though several persons who were given subsequent numbers to 39 are appointed.

The School Board Officer Mysore informs him that his name is deleted from the list as he did not join duty, though he was appointed on 20-9-35, as an Assistant Master, Middle School, Mandya.

This Eswarappa tells me that he had informed the District Educational Officer Mysore regarding his change of address in the month of June 1935 and again on 3-9-35 through the Assistant School Board Officer Channagiri. And to this address he was not given any information i.e., the order was not received by this applicant. Thus for no fault of his, his name is deleted from the list. He has therefore again requested you by means of an application dated 13/11/37 through the Assistant School Board Officer, Channagiri.

May I, in these circumstances, request you to please include him in the special list of teachers in the Middle Schools in Shimoga District?

Yours sincerely

So in response to the order N.R. And once again I beg to state that I have a burning desire to serve in this — Department. And also I am ready to give my life to be a teacher in a real sense in order to serve the human duty to this world. And With the same aim in view I have undergone under Graduates training in the Training College Mysore during 1934-35, at my own cost. Sir,

I beg to submit herewith copy of letter No.D.G1.8919 of 36-37 dated 18th May 1937 from the District Educational Officer, Shimoga directing me to apply to you direct in the matter of the inclusion of my name in the list of eligible candidates for appointments in Middle or Primary boys' schools, for Kannada in the unit of the District Educational Officer under class II and to represent the following facts:-

1) I possess adequate qualification for the post of a teacher both in Middle and Primary schools. (S.S.S.L.C. and 96 G.T. Theory)

2) I also possess the knowledge of typing having passed the Mysore Junior grade of the course and have worked in the Office of the District Educational Officer, Shimoga.

3) The District Educational Officer, Shimoga under whom I have worked as a clerk has recommended my case for favourable consideration and my appointment as a clerk in the District Education Office ordered by the District Educational Officer in accordance with the G.O. No.2267-2366/C.R.B. 7-35-1 dated 12,10,1935 has been approved by vide your letter No.2727/C.R.B. dated 12th November 1936

4) The candidates recruited as per your memo No.1601-1700/C.R.B.6-35-1 dated 9-9-1935 ~~is~~ are considered as probationers but one recruited as per G.O. 2267-2366/C.R.B. 7-35-1 dated 12,10,1935 is not considered, as such, though the appointment of the latter is ratified by the Central Recruitment Board. There seems to be absolutely no difference between these two modes of appointments.

In view of the above considerations I request that my name may be included in the lists assigned to the District Educational Officer's unit or I may be considered as a probationer in the unit of clerks where I have worked and permitted with the concurrence of the C.R.B.

From

To

The Secretary,
Central Recruitment Board,

Sir,

I have the honour to report that one A.V.Halappa B23, in the list of approved candidates. issued to this unit (Class II, Kannada Middle schools for boys) was appointed as leave sub titute on 20.9.1935 in a vacancy lasting till 1.4.1936 He is irregular and indifferent in his work. He joined duty on 8.10.35 and ~~swing~~ during the short period of 5½ months up to date, he was on leave as per statement enclosed. I do not think that any useful purpose will be served in appointing him to a Middle school, as he is applying for leave by driblets and does not show any inclination for work. I recommend that his name may be removed from the B list. He has been forced to leave from 25.3.1936 to 7.4.1936 as a disciplinary measure and to afford the appointment of a substitute in his place.

I request the favour of an early reply.

I have the honour to be,
Sir,
Your most obedient servant,
